YOUR NEIGHBOURHOOD POLICING TEAM

Our neighbourhood policing teams – made up of local officers, community support officers and dedicated staff – are committed to protecting and reassuring our West Stockport communities.

By working closely with you, our local authority partners, key community figures and more, our officers gain an understanding of community concerns – and put measures in place to respond effectively to the short, medium and long-term problems affecting residents.

Several thin, white, parallel diagonal lines are positioned in the bottom right corner of the slide, extending from the right edge towards the center.
